

TO WHOM IT MAY CONCERN

DPI has provided Project Personnel for Bravida Energy International Projects and they have performed very well during the Projects undertaken.

Throughout these demanding projects, your personnel have been highly competent, professional, and adaptable. The high standard of your project personnel was of great benefit to all and contributed to the completion of the projects

We are more than happy to have worked together with you and would be pleased to work with you again in the future.

Yours Sincerely,

Bravida Norge AS
